

# M421

21 Jets

88" x 75" x 37"

## FEATURES

- 1 Dual Pump: 1,5 hp
- Electricity: 120 V GFCI, 15 A
- Weight: 3 494 lb Full, 720 lb Empty
- Water Capacity: 332 gal / 1255 L
- Spa Cover 5"/3"
- K500 Keypad
- Ozone

The M421 plug-and-play is perfect for limited outdoor spaces or condos. Its compact size fits in smaller areas with ease, and it installs easily with a standard 120V outlet, avoiding complex electrical work. Despite its size, it delivers the same relaxation and therapeutic benefits as a full-sized spa, offering luxury in a space-efficient design.
